DO NOT CUT THIS PART OFF

1. Cut out the 3 individual triangular flags with scissors but do **not** cut off 'Tab A' along the top of each flag.
2. Take one of the triangular flags and wrap 'Tab A' around a long piece of string or wool and fix in to place with sticky tape.
3. Leave a gap and repeat no. 2 until all your flags are attached then hang them around your home. Print out as many flags as you need!
